RELIGIONS OF THE WORLD 35

LDC3450

3 Credit Course

ALTERNATIVE EDUCATION

Course Overview	Religions of the World 35 offers students a Catholic encounter with other religions of the world. The course provides students with information about the beliefs and the practices of Christian denominations and non-Christian religions, but it approaches these traditions from the perspective of one who is a faithful member of the Catholic Church. At the same time, the course considers that students are on a personal journey of faith. Here, Religions of the World 35 recognizes that they are at different places in their journey and that some students may not be Catholic. Although Religions of the World 35 honors and respects the integrity of other religions, as required by the Catholic tradition, its primary aim is to catechize students in the Catholic faith.
